

• INDEX •

Volume 1, 1988/9

Authors

- Abdalla H *see* Dooley M, 152
 Abramovich DR and Page KR, Fetal control of amniotic fluid volume, 241
 Aggett PJ, Extra zinc in pregnancy, 181
 Anthony FW *see* Jenkins JM, 273
- Blott M, Importance of fetal breathing movements after premature rupture of the membranes, 249
 Browne MJ, Amino acid transfer across the placenta, 19
 Burrows RF and Kelton JG, Platelets and pregnancy, 26
- Cameron AD, Walker JJ and Nimrod CA, Diagnosis and management of fetal cardiac dysrhythmias, 195
 Carp HJA, Toder V, Gazit E, Orgad S, Mashiach S, Serr DM and Nebel L, Paternal leucocyte immunization and habitual abortion, 49
 Chamberlain GVP and Drife JO, Editorials, 3, 102, 167, 231
 Clarke M, Unsafe sex: the case for a primary health care initiative, 261
 Coleman D *see* MacLachlan NA, 173
 Cooke ID *see* Li T-C, 266
- Dear, PRF, Attitudes to the risks of adverse neonatal outcome, 207
 Dooley M, Abdalla H and Studd J, Gamete intrafallopian transfer, 152
 Drife JO *see* Chamberlain GVP, 3, 102, 167, 231
- Fowlie A, Ultrasonic antenatal diagnosis of skeletal dysplasia, 111
- Gazit E *see* Carp HJA, 49
 Gilbert D *see* Jenkins JM, 273
 Gilmore DH and Whittle MJ, Modern management of Rhesus disease, 105
 Gough, P, Vaginal candida in the non-pregnant woman, 142
- Haddad F, Effect of anxiety in pregnancy, 123
 Harbison RD *see* Stabile I, 253
 Hussain S and O'Brien PMS, Atrial natriuretic peptide in the menstrual cycle and in premenstrual syndrome, 279
- Jenkins JM, Anthony FW, Purdie B, Gilbert D, Noon R and Masson GM, Acidic endocervical mucus: a potentially reversible cause of subfertility, 273
- Kelton JG *see* Burrows RF, 26
 King H, History, 286
- Lawton FG *see* Leusley DM, 133
 Leusley DM, Redman CWE and Lawton FG, Monitoring ovarian cancer, 133
 Li, T-C and Cooke ID, Chronological and histological dating of the endometrial biopsy, 266
 Lindsay PC, Vellacott ID and O'Brien PMS, Evaluation of patient-recorded traces in home monitoring of the fetus, 190
- MacLachlan NA, Rooney DE, Coleman D and Rodeck CH, Prenatal diagnosis: early amniocentesis or chorionic villus sampling, 173
 Magos AL, Premenstrual syndrome, 80
 Mashiach S *see* Carp HJA, 49
 Masson GM *see* Jenkins JM, 273
- Nebel L *see* Carp HJA, 49
 Nimrod CA *see* Cameron AD, 195
 Noon R *see* Jenkins JM, 273
- O'Brien PMS *see* Lindsay PC, 190
 O'Brien PMS *see* Hussain S, 279
 Orgad S *see* Carp HJA, 49
 Owen E *see* Siddle N, 200
- Page KR *see* Abramovich DR, 241
 Plaha DS *see* Young ID, 233
 Purdie B *see* Jenkins JM, 273
 Purdie DW, Bone mineral metabolism and reproduction, 214
- Redman CWE *see* Leusley DM, 133
 Riddle AF, Biophysical assessment of early pregnancy, 13
 Robertson JN and Ward ME, Gonococcal and chlamydial infection in infertility and ectopic pregnancy, 60
 Rodeck CH *see* MacLachlan NA, 173
 Rooney DE *see* MacLachlan NA, 173
- Selinger M, Progesterone inhibition in mid-pregnancy with Epostane, 67
 Serr DM *see* Carp HJA, 49
 Siddle N and Owen E, *In utero* transfer and management of preterm labour: an obstetric perspective, 200
 Smith NC, Epidemiology of spontaneous abortion, 43
 Souter WP *see* Turner MJ, 36
 Stabile I, Teaf CM and Harbison RD, Role of the cholinergic and carnitineric systems in placental toxicology, 253
 Studd J *see* Dooley M, 152
- Takeda Y, Aspects of the perinatal mortality rate in Japan, 168
 Teaf CM *see* Stabile I, 253
 Thornton JG, Measuring patients' values in reproductive medicine, 5
 Toder V *see* Carp HJA, 49
 Turner MJ, White JO and Souter WP, The male factor in cervical neoplasia, 36
- Vellacott ID *see* Lindsay PC, 190
- Walker JJ *see* Cameron AD, 195
 Ward ME *see* Robertson JN, 60
 White JO *see* Turner MJ, 36
 Whittle MJ *see* Gilmore DH, 105
- Young ID and Plaha DS, Molecular genetics and the obstetrician, 233

Index

Titles

- Acidic endocervical mucus: a potentially reversible cause of subfertility: Jenkins JM, Anthony FW, Purdie B, Gilbert D, Noon R and Masson GM, 273
- Amino acid transfer across the placenta: Browne MJ, 19
- Aspects of the perinatal mortality rate in Japan: Takeda Y, 168
- Atrial natriuretic peptide in the menstrual cycle and in premenstrual syndrome: Hussain S and O'Brien PMS, 279
- Attitudes to the risks of adverse neonatal outcome: Dear PRF, 207
- Biophysical assessment of early pregnancy: Riddle AF, 13
- Bone mineral metabolism and reproduction: Purdie DW, 214
- Book Reviews, 162, 290
- Charivari, 98, 163, 222, 288
- Chronological and histological dating of the endometrial biopsy: Li T-C and Cooke ID, 266
- Courses, 97, IBC no. 2, 165, IBC no. 4
- Diagnosis and management of fetal cardiac dysrhythmias, Cameron AD, Walker JJ and Nimrod CA, 195
- Editorial, 3, 102, 167, 231
- Effect of anxiety in pregnancy: Haddad F, 123
- Epidemiology of spontaneous abortion: Smith NC, 43
- Evaluation of patient-recorded traces in home monitoring of the fetus: Lindsay PC, Vellacott ID and O'Brien PMS, 190
- Extra zinc in pregnancy: Aggett PJ, 181
- Fetal control of amniotic fluid volume: Abramovich DR and Page KR, 241
- Gamete intrafallopian transfer: Dooley M, Abdalla H and Studd J, 152
- Gonococcal and chlamydial infection in infertility and ectopic pregnancy: Robertson JN and Ward ME, 60
- History: King H, 286
- Importance of fetal breathing movements after premature rupture of the membranes: Blott M, 249
- In utero* transfer and management of preterm labour: an obstetric perspective: Siddle N and Owen E, 200
- LOGIC Questions and Answers, 93, 159, 222, 283
- Measuring patients' values in reproductive medicine: Thornton JG, 5
- Modern management of Rhesus disease: Gilmore DH and Whittle MJ, 105
- Molecular genetics and the obstetrician: Young ID and Plaha DS, 233
- Monitoring ovarian cancer: Leusley DM, Redman CWE and Lawton FG, 133
- Paternal leucocyte immunization and habitual abortion: Carp HJA, Toder V, Gazit E, Orgad S, Mashiach S, Serr DM and Nebel L, 49
- Platelets and pregnancy: Burrows RF and Kelton JG, 26
- Premenstrual syndrome: Magos AL, 80
- Prenatal diagnosis: early amniocentesis or chorionic villus sampling: MacLachlan NA, Rooney DE, Coleman D and Rodeck CH, 173
- Progesterone inhibition in mid-pregnancy with Epostane: Selinger M, 67
- Role of the cholinergic and carnitineric systems in placental toxicology: Stabile I, Teaf CM and Harbison RD, 253
- The male factor in cervical neoplasia: Turner MJ, White JO and Souter WP, 36
- Ultrasonic antenatal diagnosis of skeletal dysplasia: Fowle A, 111
- Unsafe sex: the case for a primary health care initiative: Clarke M, 261
- Vaginal candida in the non-pregnant woman: Gough P, 142
